

Preparation for treatment with Pest Control Guru's COCKROACH Inspection / Treatment

You have been scheduled for

TIME on DATE
for Cockroach Treatment

Our web page <https://www.pestcontrolguru.ca/cockroach.html> has more information for you including what to look for and where to look if you have concerns with cockroaches in your home.

To prepare for treatment, the cupboards should be cleaned and free of food or crumbs. You DO NOT need to leave them empty for treatment.

Floors should be swept or vacuumed and all trash and recycling should be removed. There should be no laundry on the floor.

We arrive in non-marked vehicles and do not wear uniforms.
